

State Fire Training New Registered Instructor Update Courses

State Fire Training (SFT) has recently undergone a process to update its curriculum. This **mandatory** one-day course is designed to provide SFT Registered Instructors or those who are pursuing SFT instructor registration with the information and tools they need to successfully conduct an SFT course. This course will inform instructors of changes within SFT as it relates to the use of Terminal and Enabling Objectives (TLO/ELO), Test Planning, and modifications to SFT Curriculum processes.
